

Through PSHE and Computing, we will be learning to:

- **Stay safe on the internet, create secure passwords and digital footprints;**
- **be digital citizens by understanding roles and responsibilities.**
- **make a contribution to the community by being greener**

Phoenix Class Curriculum Autumn 2018

As scientists we will be learning:

- **About materials, their properties and uses;**
- **To plan, carry out and evaluate investigations, understanding the variables and the value of repeated measurements;**
- **About the solar system and the Earth.**

In our other Foundation Subjects we will be:

- **In French we will be learning about animals and telling the time;**
- **Studying what is sacred to Sikhs;**
- **In Design Technology we will be looking at rationing and its impact in WW2 and the 'Make do and Mend' campaign;**
- **In music we will be developing our singing through ballads/anthems using the Charanga music programme plus preparation for Harvest and Carol Services;**
- **In PE we will be developing catching and throwing skills and developing fitness levels and resilience.**

Homework is set on Thursdays back in by following Tuesday. Spellings are tested and new lists set on Fridays. Reading and times tables should be done daily. Reading diaries need to be signed and in school every day.

As historians and geographers, we will be studying World War 2 through:

- **The lives of key people and their influence on events;**
- **Important events, their causes and consequences;**
- **Develop an understanding of the political and physical Geography of Europe and the impact of these on the advance of the war;**
- **How people's everyday lives were affected;**
- **In Art represent events during WW2;**
- **Our trip to The Imperial War Museum at Duxford.**
